

case 0007 - ExactRobot_UpSidewaysDown_RegularRes_RegularPad - OK
cost: 8
step counter: 8

The plot shows a 2D environment with a grid of obstacles (black squares) and a path (green line) starting from a blue square and ending at a red square. The path is composed of several segments, with the final segment being a long horizontal line. The path is labeled with 'cost: 8' and 'step counter: 8'.
